**Let's Make Use of Our Evangelism Card Sending Ministry!**

If you have a family member, coworker, neighbor or friend who is going through a special event in their lives (sickness, surgery, death, birth, graduation, etc), please give the name and address to Bro. Hayes or to the church office and they will receive cards from this ministry for at least two weeks. Several of you have turned in prayer requests, but we ask you to add to that by submitting the names for our card sending ministry. However, remember that these are for people who are not members of the churches of Christ. We are attempting to use this as a tool of evangelistic outreach.

**"BACK HOME"**

If I had the power to turn back the clock. Go back to that house at the end of the block- The house that was HOME when I was as kid, I know that I'd love it more now than I did.

If I could be back there at my mother's knee, And hear once again all the things she told me, I'd listen as I never listened before, For she knew so well just what life had in store.

And all the advice my dad used to give, His voice I'll remember as long as I live; But it didn't seem really important then; What I'd give just to live it all over again.

And what I'd give for the chance I once had, To do so much more for my mother and dad; To give them more joy and a little less pain; A little more sunshine, a little less rain.

But the years roll on and we cannot go back, Whether we were born in a mansion or in a shack; But we can start right now, in the hour that's here, To do something more for the ones we hold dear.

And since time in its flight is traveling so fast; Let's not spend it regretting that which is past; But let's make tomorrow a happier day By doing our "good to others" TODAY.
